Admin profile details are displayed when admin logs in. All the non-admin users are listed on the admin dashboard as well(check above screenshot).
There is an option to search for a particular user as well. Admin needs to enter 2 characters atleast and all the matching users will be fetched from the database and displayed.

For example if "ma" is searched, following is the output:

Users can log out also.

Database details:

```
mysql> desc users;
